

THE DAILY SENTINEL.

MONDAY MORNING, OCTOBER 4

Republican County Convention

The Republican Convention of the several wards and townships in the County of Milwaukee, are invited to meet at the County of Milwaukee, on Saturday, Oct. 10, at 10 o'clock, at the Court House, in the City of Milwaukee, at 10 o'clock on Saturday, October 10, to organize for the November election, and decide upon the proper course to take with reference to the County Convention.

THE NEWS.

Advances from Utah state that both the Mormons and Indians are quiet. Violent storms had been encountered west of Fort Laramie. The Post Master at Cincinnati is about to be removed because he sympathizes with Douglas. The Administration continues to wage a bitter war against the arch-rebel, and all his followers. The Democracy is not quite a unit yet.

A destructive fire occurred in Boston, on Friday morning. G. H. Fox & Co. are the principal sufferers.

The yellow fever is on the decrease at the South. The New York and Buffalo breadstuffs markets were very dull on Saturday, and in the latter wheat was quoted at a decline of 1 to 2 cents. Our own market was quite inactive and wheat nominally lower. The receipts of wheat continue large, and foot up for the week considerably in excess of three hundred thousand bushels.

The shipments of grain from this port since the season has nearly five million of bushels. If the shipments correspond with the receipts from the present time until the close of navigation, the great bulk of our wheat crop will reach the seaboard this fall.

The state of the weather on Saturday evening indicated the approach of a storm.

THE STATE FAIR.

Our annual State Fair commences at Madison today and closes on Saturday. The first two days will be mostly devoted to the reception and arrangement of animals and articles for exhibition. The right selling days will be Wednesday, Thursday and Friday, especially the last two. Should the weather be fair, the attendance will be very large and the exhibition unprecedentedly fine. All the Railroads will run extra trains, at half-fare, during the week. No doubt, our city will furnish its full complement of visitors. Our Fire Department will be very fully represented. Exchange Companies No. 2 and 6, Liberty Hotel No. 1 and Hook and Ladder No. 1, with delegations from out-of-town companies, numbering some 400 in all, go out Wednesday night, to be present at the Firemen's Tournament on Thursday. We hope that some of our Military Companies will also attend the Fair, though no arrangements have yet been made for that purpose. Fine exhibitions of arms and accoutrements are contemplated at Madison. There will be room and welcome for all.

Mr. Blair's Appointments in Wisconsin.

Hon. Francis P. Blair, Jr., of Missouri, will address the citizens of Racine on Monday, the 4th inst., at 10 o'clock at Milwaukee on Tuesday, the 5th, Hon. Isaac N. Arnold, of this city, has a dispatch from Mr. Blair to the above effect. The removal of the Fair to Madison. We hope that some of our Military Companies will also attend the Fair, though no arrangements have yet been made for that purpose. Fine exhibitions of arms and accoutrements are contemplated at Madison. There will be room and welcome for all.

More Prescription of Democrats.

Mr. McKim, a most exemplary gentleman and public officer, has been removed from the post-office at Bloomsburg, and one B. D. McKim, of Detroit, has been appointed to fill his place. We hear also that Messrs. O'Connell, of Ottawa, Lombard, of Galena, Wm. of Springfield, and Zeller, of Joliet, have also been removed. The removal of these gentlemen, against whom there has been no word of well founded complaint, personally or politically, can have no other effect than to call down denunciations upon the President, and to give evidence of the President's policy to a system of prescription of the best men in Illinois. The Times were inclined to adopt the old English maxim that "the King can do no wrong," and to throw the blame for this "prescription" upon his "Ministers," or advisers. This may do for Monarchical England, but will hardly answer for Republican America. Undoubtedly Mr. Buchanan assumes the responsibility for these removals and appointments. The whole tone of the Washington Union, the Administration organ, shows it. The victims named by the Chicago Times lost their official heads, for the single and obvious reason that they side with Senator Douglas against the President, on the Kansas, Nebraska, and "Popular Sovereignty" issues. Let the Federal Office holders in this State take warning. They cannot ride double. They will not be permitted to wear two faces. They must elect to take the Douglas, or Buchanan side of the controversy. And so too, most Messrs. Brown, Dyer and Larnabee, the Democratic nominees for Congress. "Under which King," gentlemen, Douglas or Buchanan, do you serve?

Additional Particulars of the Burning of the Austria.

Philadelphia, Sept. 30. Alfred Yedin, one of the retired passengers, states that when the metallic life-boat, containing among other persons the first mate, Mr. Hann, came up, and after the occupants had been taken on board, this officer deliberately set the boat afire, notwithstanding he was informed that there were in it at least five or six persons still clinging to the wreck. After this act of the first officer, the Captain of the life-boat, Mr. Yedin, returned to the ship, and in the morning returned to the neighborhood of the disaster, where the Austria had sunk. The only person who was picked up, was the first mate, Mr. Hann, who was found on a small raft, and was taken to the shore. The other passengers were found dead.
